## Summary of key findings for parents

### This provision meets requirements

- The childminder understands how to make good use of observations and assessments to identify and plan towards children's next stages in learning.
- The childminder understands how to promote positive behaviours and help children to respect each other's differences.
- The childminder knows how to promote healthy lifestyles. She has a wide range of equipment to challenge children's physical skills. The childminder understands how to prepare well-balanced meals and snacks to promote healthy eating.
- The childminder understands the importance of information sharing with parents and other settings that children might attend. She talks about involving parents in her self-evaluation to identify areas for future development.
- The childminder keeps her safeguarding knowledge up to date. She knows who to contact if she has a concern about a child's welfare.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.
