

## **Compliance action taken for childcare provision**

Ref: EY552480/4049275

Date: 28 November 2018

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2) . If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 October 2018, we carried out an inspection which judged that the overall effectiveness of the setting was inadequate and did not meet the needs of the children who attend. We issued a welfare requirement notice. This is a legal notice that requires the provider to take the actions within the timescales set out. Full details of the report can be found on the Ofsted website.

On 16 November 2018, we carried out an unannounced monitoring visit. We found that the provider had taken appropriate steps to improve practice and comply with the welfare requirements notice. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
