

## **Compliance action taken for childcare provision**

Ref: EY495238/4090817

Date: 5 December 2018

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 November January 2018, this provider notified us of a required matter. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of significant incidents. Following a visit, we have served a notice to improve. The provider is required to take the action below within the timescales set out. The provider will be able to give parents further information about this.

Action needed by 19 December 2018:

ensure you put appropriate arrangements in place for the supervision of staff who have contact with children and families, especially for new staff who are still in their probation period.

The provider remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
