- The childminder has public liability insurance to ensure that she is meeting legal requirements, and to help keep children safe.
- The childminder understands the procedures to follow should she have any concerns about a child's welfare.
- The childminder understands how to manage children's behaviour successfully, and to teach them to respect others.
- The childminder understands how to reflect on her practice and build ongoing improvements.
- The childminder understands how to assess children's learning and provide interesting, suitably challenging activities to ensure they make good progress.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.
