

## **Compliance action taken for childcare provision**

Ref: EY501546/4100777

Date: 21 December 2018

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 10 December 2018, the provider notified us of a safeguarding concern. This means that they met their legal responsibility to inform Ofsted of significant events. We visited the provider and have issued them with a notice to improve that requires them to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed:

ensure that children are adequately supervised and decide how to deploy staff to ensure children's needs are met. Staffing arrangements must meet the needs of all children and ensure their safety. Children must usually be within sight and hearing of staff and always within sight or hearing.

ensure that children's behaviour is managed in a suitable manner with particular regard to staffing arrangement ensuring the safe supervision of children.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
