

Complaint about childcare provision

Ref: EY315313/C351575

Date: 22 December 2018

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 29 June 2018 and 15 July 2018, we received concerns that this provider was not meeting some of these requirements.

On 25 September 2018, we carried out an unannounced visit to the provider to assess whether the provider was meeting the requirements. We were satisfied with the action taken by the provider in response to the concerns and therefore no action was required to be taken by us. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
