Summary of key findings for parents

This provision meets requirements

- The provider demonstrates a clear knowledge and understanding of her responsibilities to safeguard children. She is aware of the procedures to follow to protect a child's welfare.
- The provider understands how to help children learn respect for one another and how to promote children's good behaviour.
- The provider understands the importance of carrying out risk assessments to ensure the premises are safe and suitable.
- The provider recognises the importance of working in partnership with parents and other professionals to help provide consistency for children's learning and care.
- The environment is well maintained and well resourced. Children have the opportunity to access a range of resources.
- The provider evaluates the quality of the provision to continually make improvements.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.
