

## **Compliance action taken for childcare provision**

Ref: EY397961/4124945

Date: 31 January 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2).

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 09 January 2019 we received concerns that this provider was not meeting some of these requirements. We have issued a Welfare Requirements Notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed

- ensure you take all reasonable steps to ensure staff and children in your care are not exposed to risks and be able to demonstrate how you are managing risks. This particularly refers to identifying risks associated with potentially harmful products. By date 28 January 2019
- ensure risk assessments clearly identify aspects of the environment that need to be checked on a regular basis, when and by whom those aspects will be checked, and how the risk will be removed or minimised. By date 28 January 2019
- ensure an accurate daily record is maintained of the names of children being cared for on the premises, their hours of attendance and the names of each child's key person. By date 28 January 2019

We have completed a monitoring visit and found that the provider has taken suitable action to meet the above.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
