

Complaint about childcare provision

Ref: 2499653/4108328

Date: 15 February 2019

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, (EYFS) which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2.

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 November 2018, we received concerns that this provider was not meeting some of these requirements. The provider has acted to address a breach in the requirements by reviewing and revising their own safer recruitment procedures. We were satisfied with the action the provider took. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
