

Compliance action taken for childcare provision

Ref: EY471235/4142107

Date: 14 February 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2.

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 27 January 2019, the provider notified us that child has been left unsupervised in the outdoor play area. This notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of a significant event.

On 6 February 2019, a regulatory visit was carried out and at the time of the visit the provider was not meeting all of the early years foundation stage welfare requirements. The provider has been set an action and is required to take the action below within the timescale set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed:

- implement an effective system of induction so that new staff, including agency staff gain a clear understanding of their roles and responsibilities by 27 February 2019.

On 11 February 2019, the provider notified us of the appropriate action that has been taken to address the weaknesses identified. We are satisfied that the provider meets the legal requirements in the Statutory framework for the early years foundation stage.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
