

Compliance action taken for childcare provision

Ref: 206256/3988316

Date: 14 March 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 11 December 2018 the provider notified us of an injury to a child. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider.

During a telephone call on 13 December 2018 with the provider she confirmed the action that had been taken to prevent a reoccurrence.

On 28 January 2018 an unannounced visit took place. We served actions that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

take all reasonable steps to ensure staff and children in your care are not exposed to risks and demonstrate how you are managing risks by 4 February 2019

take all reasonable steps to ensure the safety of children, staff and others on the premises in the case of fire or other emergency by 4 February 2019

A suitable response was received to the actions set.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
