

Compliance action taken for childcare provision

Ref: EY447668/4157298

Date: 28 March 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 14 February 2019, we received a notification from the provider about a significant event. We looked into this information and found that the provider was not meeting all of the requirements. We served a notice of action to improve that requires the provider to take the action below within the timescales set out. The provider confirmed in writing what action they had taken following our visit to meet the requirements, and we were satisfied with their response. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed:

Improve the key person system to ensure that all children receive consistency and continuity in their care and learning, and to ensure that their individual needs are met – to be completed by 29 March 2019.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
