

Complaint about childcare provision

Ref: EY393224/4177105

Date: 8 April 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 7 March 2019, we received information that the provider was not meeting the requirements. On 4 April 2019, we carried out a visit to the nursery. We found the provider had failed to notify Ofsted of a significant event. We discussed this breach with the manager and acknowledge that they had overlooked the requirement to notify Ofsted. We are satisfied there was no intent to deceive Ofsted. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
