

## **Compliance action taken for childcare provision**

Ref: EY232046/4188098

Date: 17 April 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find a provider is not meeting the requirements, we can take action to ensure they put matters right. On 25 March 2019 the provider notified us of a required matter. We have issued a notice to improve that requires the provider to take the action below within the timescales set out. The provider will be able to give parents further information about this.

Action required by 12 April 2019

increase your knowledge and understanding of the requirements to notify Ofsted of changes or significant events which are likely to affect your suitability, or the suitability of any person who cares for, or who is in regular contact with, children.

The provider remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
