

Complaint about childcare provision

Ref: 135038/4010232

Date: 29 April 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 31 August 2019, we received information which raised concerns about the registered provider not being correctly registered. We liaised with the manager who cooperated fully to ensure requirements for registration are met by having sufficient committee members.

The provider will be able to provide further information about this. The provider remains registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
