

## **Complaint about childcare provision**

Ref: 220780/4185286

Date: 7 May 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework](http://www.gov.uk/government/publications/early-years-foundation-stage-framework). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 March 2019 we received concerns that this provider was not meeting some of these requirements. The provider failed to inform Ofsted of changes to household members. The provider has confirmed that information regarding these individuals will be supplied to Ofsted so that the relevant checks can be completed. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
