

Compliance action taken for childcare provision

Ref: EY446956/4193000

Date: 3 May 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 29 March 2019, we received concerns that the provider was not meeting some of these requirements. We visited on 30 April and have issued them with a Notice to Improve. This is a legal notice that requires the provider to take the action below within the timescales set out. The provider will be able to give parents further information about this.

Action needed by 15 May 2019:

ensure safeguarding practice is in line with the guidance of the local safeguarding children board, in particular in relation to records of concerns, to ensure accurate information is shared where needed.

The provider wrote to us within the timescale set to tell us how they have addressed the above action, including updating their practice and procedures. We are satisfied with the action taken. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
