

## **Compliance action taken for childcare provision**

Ref: EY371758/4212524

Date: 14 May 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2).

On 19 Mar 2019, the provider notified us that an incident had occurred. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted.

We visited the provider to discuss the notification and issued a notice to improve. This requires the provider to take the action below within the timescale set out. The provider will be able to give parents further information about this.

Action needed:

ensure policies and procedures are followed to safeguard children. This refers to making a referral to LADO without delay.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
