

## **Complaint about childcare provision**

Ref: EY552178/4206624

Date: 20 May 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 17 April 2019 we received concerns that this provider was not meeting some of these requirements. On the same date we also received a notification from the provider about an incident that had occurred. We discussed the information with the provider and are satisfied with the action taken following this incident to meet legal requirements and on this occasion took no further action. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
