

Compliance action taken for childcare provision

Ref: EY280215/4104640

Date: 19 May 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 December 2018, we received concerns that this provider was not meeting some of these requirements. On 1 February 2019, we visited the nursery and found that the provider had taken some action but was not meeting one of the requirements. We imposed an action that requires the provider to take the action below within the timescale set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed:

ensure there is a named deputy who is capable and qualified to take charge in the manager's absence and that staff are aware of who is in charge, so that arrangements for the day-to-day management of the setting are consistent and effective.

We are satisfied with the action taken by the provider and no further action was required by Ofsted on this matter. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
