

Compliance action taken for childcare provision

Ref: EY257456/4223543

Date: 23 May 2019

Summary of outcome

- 1) early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, (EYFS) which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 May 2019, we received concerns that this provider was not meeting some of these requirements. During a visit on 23 May 2019, we identified that this provider was not meeting some of these requirements. Following the visit, we have issued a Notice to Improve. This is a notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed:

ensure Disclosure and Barring Service records for all staff are available to view by 21 June 2019

ensure correct policy and procedures are followed in the event there are concerns about a child, or an allegation is made against a member of staff and ensure relevant agencies, such as Ofsted are notified by 21 June 2019

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
