

## **Compliance action taken for childcare provision**

Ref: EY333199/4221202

Date: 21 May 2019

### **Summary of outcome**

#### **OUTCOME SUMMARY**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 7 May 2019, we received a complaint. We conducted an unannounced visit where we issued them with a notice to improve. This requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Action which needs to be taken by 3 June 2019:

keep a daily record of the names of the children being cared for, their hours of attendance and the names of each child's key person

ensure parents and/or carers' permission is gained to leave children with an assistant, including for very short periods of time.

We are satisfied with the action taken by the provider. The provider remains registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
