

Compliance action taken for childcare provision

Ref: EY488789/4202409

Date: 14 May 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework-2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 May 2019, we carried out an unannounced visit to the provision, following concerns raised to Ofsted. We have served a Welfare Requirement Notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

ensure the required staff to children ratio is maintained at all times, by 7 June 2019

organise the premises to provide sufficient equipment and resources to meet children's needs, by 7 June 2019

take all reasonable steps to prevent unauthorised persons entering the premises without staff knowledge, by 7 June 2019

gain a secure understanding and knowledge of the types of information to notify Ofsted of, and ensure all significant events and changes are notified to Ofsted within 14 days, by 7 June 2019.

On 7 June 2019, we carried out an unannounced visit to the provider to monitor the Welfare Requirements Notice. We found that the Welfare Requirements Notice had been met appropriately. The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
