

## **Compliance action taken for childcare provision**

Ref: 139323/4235001

Date: 18 June 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 21 May 2019 the provider notified us about an incident and the action they had taken to improve their procedures. The provider will be able to give parents further information about this. We completed an unannounced visit and are satisfied with the action the provider has taken. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
