

Compliance action taken for childcare provision

Ref: EY542730/4232861

Date: 19 June 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2.

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 May 2019 we received a notification from this provider that indicated that the provider was not meeting some of these requirements. In particular, the requirement relating to food and drink. The notification means that the provider met their legal responsibility as set out in the early years foundation stage to notify Ofsted of any significant event.

We contacted the provider on the 24 of May 2019 to discuss the matter.

We reviewed the actions taken and found that the provider had taken prompt and appropriate steps to ensure children receive the correct food, taking their individual dietary requirements into account. We are satisfied with the actions taken by the provider to rectify the breach of the welfare requirements and therefore it was not necessary for Ofsted to take any further action.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our

responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
