

## **Compliance action taken for childcare provision**

Ref: 322416/4207983

Date: 20 June 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 18 April 2019, we received concerns that the provider was not meeting some of these requirements.

On 9 May 2019, we visited the nursery and served a Welfare Requirements Notice. This is a legal notice that requires the provider to take the action below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed:

ensure that effective arrangements are in place for the supervision of staff, so that they have a clear understanding of their roles and responsibilities, and receive support, coaching and training, to meet the needs of children by 5 June 2019

deploy staff effectively to ensure that children are adequately supervised and their needs met by 5 June 2019

keep a daily record of the names of the children being cared for on the premises, their hours of attendance and the names of each child's key person by 5 June 2019

We will monitor compliance with these requirements at the next inspection.

The provider is still registered with Ofsted.

## **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
