

Complaint about childcare provision

Ref: EY538782/4154334

Date: 24 June 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 11 February 2019 we received concerns that this provider was not meeting some of these requirements. We have served a notice of action to improve. This is a notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed:

take all reasonable steps to ensure staff and children are not exposed to risks in the outdoor areas by 5 July 2019.

Keep an accurate daily record of the names and hours of attendance of children being cared for on the premises by 5 July 2019.

provide support, coaching and training and make sure all managers and staff understand their role and responsibilities to keep children safe by 5 July 2019.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the Concerns and complaints about childminders and childcare providers leaflet.
