

Compliance action taken for childcare provision

Ref: EY409177/4253723

Date: 7 July 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 June 2019, we received a concern that this provider was not meeting some of the requirements. On 26 June 2019, we carried out an unannounced visit and served a welfare requirement notice. This is a legal notice that requires the provider to take the actions below within in the timescales set out. The provider will be able to give parents further information about this.

Action needed:

ensure that all required documentation is easily accessible and available upon request, by 9 July 2019

take all reasonable steps to ensure children are not exposed to risks and demonstrate how risks are managed, specifically with regard to hazards in the home, by 9 July 2019

maintain an accurate daily record of the names of the children who are being cared for on the premises, along with their hours of attendance, by 9 July 2019

ensure ratio arrangements meet the needs of all the children, by 9 July 2019.

The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
