

Compliance action taken for childcare provision

Ref: EY411377/4242690

Date: 23 July 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 29 May 2019 we conducted a full inspection following a number of concerns raised to Ofsted. We judged the provision to be inadequate because it was not meeting some of these requirements. We have issued a Welfare Requirements Notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
