

## **Compliance action taken for childcare provision**

Ref: EY548530/4258692

Date: 23 July 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 17 June 2019 we received a notification from the provider that indicated they were not meeting some of these requirements. Additionally, the provider failed to notify Ofsted as soon as possible about the same matter, which is a further breach of early years foundation stage requirements. We have served a Welfare Requirements Notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action needed:

ensure that concerns about the conduct of adults are referred within required timescales, by following the correct local safeguarding procedures by 24 July 2019.

We are satisfied with the steps taken by the provider to resolve this breach of requirements.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
