Summary of key findings for parents

This provision meets requirements

- The provider and staff demonstrate a good knowledge of child protection and safeguarding issues. They are able to describe possible signs and symptoms of abuse. Staff know how to respond to any concerns for a child's welfare or to any allegations of abuse.
- The staff team know how to plan a wide range of stimulating experiences to engage children in their play. They will allow them to make choices about the activities they want to take part in.
- The staff team know how to implement effective procedures and risk assessments to protect children from harm and maintain a safe environment.
- The provider knows how to promote children's physical health, such as by providing daily opportunities for physical exercise. Children will have access to healthy meals and snacks daily.
- The provider understands how to positively manage children's behaviour. Staff are responsible for giving clear guidance about expected behaviour. For example, children will be encouraged to share, take turns, cooperate and play well together.
- The provider implements recruitment procedures that are robust and designed to help to ensure the suitability of all staff.
- Effective procedures are in place, such as training opportunities and regular supervision and team meetings. These provide opportunities for staff to discuss and share their ideas about the club. The provider has a system in place to gain information from parents and children to help self-evaluation. This supports her to drive improvement in the club's practice in order to raise standards.
- The provider demonstrates through discussion the importance of establishing partnerships with school staff to help contribute to children's well-being.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.
