

Compliance action taken for childcare provision

Ref: 314600/4265979

Date: 29 July 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework-2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 26 June 2019, the manager notified us of weaknesses in their safeguarding procedures. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of significant events.

On 12 July 2019, we visited the provider and found that they had taken action to rectify a breach in requirements. They have reviewed and tightened their safeguarding practice regarding recording and reporting existing injuries which children arrive with. They have also reviewed their induction procedures to ensure staff fully understand and adhere to safeguarding policies and procedures from the outset. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
