

Compliance action taken for childcare provision

Ref: EY420770/4295033

Date: 9 August 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 18 July 2019 we received information that the provider was not meeting the requirements. The provider will be able to give parents further information about this. We served a Welfare Requirements Notice. This is a legal notice that requires the provider to take the actions below within the timescales set out.

Action by 8th August 2019

We are satisfied with the action taken and the provider remains registered with Ofsted.
