

Compliance action taken for childcare provision

Ref: EY552625/4272847

Date: 13 August 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On the 17 July 2019, we carried out an unannounced inspection. We found that the provider was not meeting some of these requirements. We have served a Notice to Improve. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider was still registered with Ofsted.

- improve recruitment procedures to ensure the suitability of those working with children, with particular regard to DBS and obtaining references, by 05/07/2019.
- ensure supervision arrangements for staff including managers, are effective in providing regular support, coaching and training staff need to fulfil their roles and provide an opportunity where staff can discuss sensitive issues, by 05/07/2019.

The provider has taken appropriate measures to meet the actions and the case is now closed. The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
