

## **Compliance action taken for childcare provision**

Ref: 112733/4269443

Date: 5 August 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2).

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 1 July 2019, we received concerns that this provider was not meeting some of these requirements. We have issued a notice to improve. This requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider remains registered with Ofsted.

Actions needed by 12 July 2019:

ensure Ofsted is notified of any significant matters which may affect suitability, such as changes to health

We are satisfied with the action taken by the provider.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
