

## **Compliance action taken for childcare provision**

Ref: 120088/4102268

Date: 15 August 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 10 December 2018, we received a notification from the provider of a safeguarding concern. We looked into this information and found that the provider was not meeting all of the requirements. We have served a Welfare Requirements Notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. Additionally, we requested further suitability checks.

Action which needs to be taken by: 28 January 2019

Improve recruitment and vetting procedures to ensure they include health checks, to determine adults suitability to work with children.

We monitored the setting on 30 January 2019 and found that the provider had taken appropriate action to meet requirements. The suitability checks we requested were satisfactorily completed.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
