

Compliance action taken for childcare provision

Ref: EY291587/4257488

Date: 4 July 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 21 June 2019, the provider made a notification to Ofsted. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of a significant event. We visited the provider and have issued them with a notice to improve that requires them to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Action:

Implement effective risk assessments to ensure children remain safe, with particular regard to the changing needs of newly mobile children, by 5 July 2019.

The provider responded in writing to the notice to improve and we are satisfied with the action taken to meet requirements. The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
