Summary of key findings for parents

This provision meets requirements

- The manager and staff understand their duty to keep children safe. They recognise all indicators that a child might be at risk of harm and know the procedure to follow. All staff hold a relevant paediatric first-aid certificate and complete safeguarding training.
- The children are provided with a suitable environment, activities and resources. The manager and staff understand how to complement the learning and activities children undertake in school.
- The manager and staff are aware of the importance of working closely with parents and others involved in the care of children to ensure children's needs are recognised and met.
- The manager and staff carry out self-evaluation to identify areas to strengthen. They regularly gather the views of parents and children. Their ideas are incorporated into the plans for future development and improvements at the club.
- The manager and staff understand how to support children to develop healthy lifestyles. They provide healthy snacks and opportunities for children to have daily physical exercise.

There were no children present when this inspection took place. The findings in this report are based on evidence gathered from discussions with those who care for the children and an inspection of the premises, equipment and relevant documentation. Where there are no children present, no judgement is made on the quality of the early years provision as there is no reliable evidence on which to assess its impact on children. The report states whether the provider continues to meet the requirements of registration.

Inspection activities

- The inspector viewed the premises, including outdoor areas, and available resources.
- The inspector held meetings with the manager, supervisor and staff of the club.
- The inspector checked evidence relating to the suitability of staff.
- The inspector sampled a selection of documentation, including safeguarding procedures, performance management records and the club's self-evaluation record.
- The inspector viewed written feedback from parents.
