

## **Compliance action taken for childcare provision**

Ref: EY494544/4312974

Date: 6 September 2019

### **Summary of outcome**

- 1) early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, (EYFS) which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 July and 22 August we received concerns that this provider was not meeting some of these requirements. We visited the provider and found they were not meeting all these requirements. We have issued a notice of action to improve. This is a notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider responded appropriately to the action set. The provider is still registered with Ofsted.'

#### **Actions needed**

ensure that relevant agencies are informed immediately of any concerns about children's safety or welfare. Due by 11 September 2019.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
