

Compliance action taken for childcare provision

Ref: EY500220/4262585

Date: 2 September 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 20 June 2019 we received a notification from the provider of a serious accident. This means that they had met their notification responsibilities. On 28 June 2019 we conducted a visit to the provider and served a notice to improve. This requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed:

maintain a written record of accidents and injuries, by 15 July 2019

ensure that an accurate daily record is maintained of the names of the children being cared for on the premises and their hours of attendance, by 15 July 2019

On 4 September 2019 we received a written response from the provider and they had taken the appropriate action to meet the notice to improve.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our

responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
