

## **Compliance action taken for childcare provision**

Ref: EY480489/4262490

Date: 10 July 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 12 March 2019, the provider notified us of an accident that resulted in an injury to a child. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted of a significant incident, although this was not within the set timescales. We have discussed the information with the provider and as result have issued a NTI.

NTI -This is a notice that requires the provider to take the actions below within the timescales set out.

make sure staff are trained to understand the safeguarding policy and procedures and how to respond to possible abuse or neglect in a timely and appropriate way by 31 July 2019.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

We will monitor the provider's response.

The provider has met the action set and remains suitable for registration.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years

commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
