

## **Complaint about childcare provision**

Ref: EY491033/4309656

Date: 19 September 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

Concerns came to our attention which we discussed in detail with the provider. The provider was not meeting the requirements and we issued a Notice to Improve. This is a notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

3.6 Ensure that all staff have up to date knowledge of the signs and symptoms of possible abuse and neglect and safeguarding issues. 19/09/2019

The provider has taken suitable action to meet the notice.

### **Publication of complaints**

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
