

## **Compliance action taken for childcare provision**

Ref: EY495127/4323666

Date: 9 September 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 5 September 2019 we received notification from the provider about a significant event which occurred at the nursery.

This notification means the provider met their legal responsibility as set out in the Early years foundation stage welfare requirements, to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider or any person who cares for, or is in regular contact with, children on the premises.

On 5 September 2019 we carried out an unannounced visit where we served a Welfare Requirements Notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. We conducted a further monitoring visit to check that the provider was meeting the requirements after we served the welfare requirements notice. We were satisfied that the provider has taken appropriate action to meet the requirements. The provider is still registered with Ofsted.

Actions needed:

make sure that staff deployment is organised to ensure children's safety when they play in the garden

19 September 2019

take all reasonable steps to keep children safe and ensure that the premises are secure.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
