

Complaint about childcare provision

Ref: EY538799/4320548

Date: 18 September 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 30 August 2019 we received concerns that this provider was not meeting some of these requirements. We visited the provider to discuss the concerns and have issued a Notice to Improve. This is a notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Action required;

gain a secure understanding of safeguarding policies and procedures so as to take decisive action where a child may be deemed at risk of harm.

by 1st October 2019

The provider has addressed the above action within the set timescale. The provider remains suitable for registration.
