

Compliance action taken for childcare provision

Ref: EY555538/4302636

Date: 4 October 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 09 August 2019 we received concerns that this provider was not meeting some of these requirements. We visited the provider to discuss the concerns and issued a Welfare Requirements Notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Train all staff to be alert to possible concerns in the child's life at home and elsewhere, with particular reference to any health, medical or dietary needs. 05 September 2019

We conducted an unannounced visit to the provider on 05 September 2019 to monitor the progress with the Welfare Requirements Notice. We found that the provider had taken suitable action to meet the notice.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
