

Complaint about childcare provision

Ref: EY342254/4286792

Date: 4 October 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage' which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 16 July 2019 the provider notified Ofsted of a significant event. The notification means that the provider met their legal responsibility as set out in the Early years foundation stage welfare requirements in regard to notifications. We are satisfied with the action taken by the provider. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints for five years commencing on the date we complete our investigation.
