

## **Compliance action taken for childcare provision**

Ref: EY559292/4322116

Date: 10 September 2019

### **Summary of outcome**

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 3 September 2019 we received a notification from the provider of a significant event. This means that they had met their legal responsibilities. However, we have served a notice to improve that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed:

improve the risk assessments, specifically the boundary fence, to help ensure that children are kept safe from harm, by 1 October 2019

gather more effective information from parents and other professionals to help better meet children's individual needs and keep them safe, including when children first start, by 1 October 2019

On 3 October 2019 we received a written response from the provider who had taken the appropriate action to meet the notice to improve.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.
