

Compliance action taken for childcare provision

Ref: EY561421/4290947

Date: 15 August 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 26 July 2019 we received concerns that this provider was not meeting some of these requirements. We also received a notification from this provider about an accident to a child at the nursery. The notification means that the provider met their legal responsibility as set out in the early years foundation stage welfare requirements to notify Ofsted. We undertook an unannounced visit and issued a notice to improve. The provider needed to take the following action by the timescale below. The provider will be able to give parents further information about this.

Actions needed by 30 August 2019.

improve knowledge and understanding of robust recruitment and employment procedures and implement these consistently to determine the suitability of all people looking after children attending the nursery

take all reasonable steps to minimise risks to the health and safety of children, with particular regard to their access to the soft play equipment.

We are satisfied with the action taken. The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
