

Compliance action taken for childcare provision

Ref: EY103646/4313823

Date: 30 August 2019

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. On 22 August 2019 we received a notification from the provider regarding children in her care. On this occasion, the provider was not required to notify us of this matter. However, this notification raised other concerns. We visited the provider and have issued a Notice to Improve. This is a statutory notice that requires the provider to take the actions below by 20 September 2019.

The provider will be able to give parents further information about this. .

Action Needed:

improve knowledge and understanding of safeguarding procedures to be followed in the event of a concern about a child, or in the event that an allegation is made

implement policies and procedures that are in line with the Local Safeguarding Children Board

ensure necessary documentation is available for inspection as required, with particular reference to training records and criminal record checks.

Action Taken:

We are satisfied that the provider has updated her safeguarding knowledge and skills and understands the actions she must take when concerns arise.

The provider has ensured that documentation is organised so that it is available for

inspection as required.

The provider is still registered with Ofsted

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years commencing on the date we complete our investigation.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
