

Compliance action taken for childcare provision

Ref: 221505/4311196

Date: 9 September 2019

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right. Ofsted received concerns that this provider was not meeting some of these requirements and carried out an unannounced visit on 6 September 2019. We have served a Welfare Requirements Notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. On 21 October 2019, we carried out an unannounced visit to the provider to monitor the Welfare Requirements Notice. We found that the Welfare Requirements Notice had been met appropriately. The provider remains registered with Ofsted.

Actions needed by 23 September 2019

gain a secure knowledge and understanding of safeguarding, in particular how to manage any allegations that may be raised

develop knowledge and understanding of complaint processes and ensure a written log is maintained of any complaints made in writing from parents, including their outcome

ensure children are only left in the sole charge of people who are registered to do so and who hold a current paediatric first aid certificate, and where permission from parents has been obtained.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years

commencing on the date we complete our investigation.
